

Every Tree for Itself

What do trees need so they can grow?

Where do trees get these?

Water

Sunlight

Nutrients

Soil

Nitrogen

Phosphorus

Tree Rings – How old would this tree be?

Can you mark where the tree has fire damage? Put a cross.

Can you color in red the driest circle of the tree rings?

Can you color in blue the wettest tree ring?

Which is the first year of the trees life? Color in green.

Draw your own tree life.

What and who do you need in your life to grow?

What does a healthy tree look like?

What does an unhealthy tree look like?

What would make the tree unhealthy?
