FOREST LEARNING

FOREST INDUSTRY EDUCATION CHAMPION REFLECTION

Thank you for providing us with some reflections from your school activity. Your responses will help us to shape and refine the Forest Industry Education Champion Program, as well as help to inspire new Champions as they start engaging in schools. The reflection will provide a resource for other Forest Industry Champions to access advice and ideas to encourage their involvement in the program.

Industry Champion's Name	
School Activity Year Level	

1. Describe a brief outline of your session

2. What do you think worked well?

3. What materials did you bring with you?

4. What did your preparation involve?

5. What was the approximate time taken to prepare for the activity?

6. What would you change next time?

7. What advice do you have for other industry champions?
